WIN!

We have a brown paper envelope and it's stuffed full of one hundred pounds in cash. We're going to pick one runner wearing their Kent Roadrunner Marathon shirt in the race, and when they finish we'll hand them the cash. It's as simple as that. You can still order a shirt now, for collection on race morning:

WIN! WIN!

But wait, there's more... We also have a prize of a trip to the 2014 Frankfurt Marathon, courtesy of **209 Events** for the very best showboater. We're hoping for some originality, some style, but most of all a sense of fun! Our lovely friends at **Southern Running Guide** have also promised us that they'll make a cover star of one of you... yes, one of you will grace the cover of the Autumn 2014 issue! More information: <http://www.kentroadrunner.com/news/showboaters.html>

WIN! WIN! WIN!

Of course we have the usual winners' prizes too, with overall prizes for 1st, 2nd, 3rd male/female as well as category prizes of MV40, MV50, MV60, FV40, FV50, FV60. Bespoke trophies for all prize winners plus a pair of **SCOTT running shoes** for our outright winners and complimentary entry to any UK **209 Events** race for the top three chaps and ladies.

Drink Station

We will have an official drink station (every 2.5km) stocked with water, orange squash, CLIF SHOT Electrolyte, CLIF SHOT BLOKS, bananas, crisps, biscuits and jaffa cakes. The drinks will be supplied in plastic cups. If you prefer something different then we have a dedicated area for personal drinks - bring your own small table and fill it with your own supplies. A great way to have exactly what you want every 2.5km.

Transport

The venue charges a one pound fee to use their car park. Please bring a one pound coin which we'll collect on entry to the car park (no queues for the machines this year!). Limited on-street parking is available nearby. The venue is very easily accessible via train - the new high-speed line connects London St Pancras and Gravesend direct in just 23 minutes. Cyclopark is just 5km from Gravesend Station.
